**GARDEN SHARE PROJECT  
HAS ARRIVED IN  
KIRKBARROW !**

Our Local Area Coordinators, Paul and Lucy, have introduced a new project to match the green-fingered of Kirkbarrow to local people who are finding it difficult to maintain their gardens. Would you like to see your garden being utilised and transformed into a space which can be positively used? Are you a keen gardener wishing to expand but need more space to plant your broad beans, or just want to volunteer and enjoy the health benefits gardening brings?

Do you have a neighbour who you feel may benefit from some help?

Just give Paul or Lucy a ring on 07917751521 or 07825272918 and they will be happy to meet you.

**OPPOSITE PARKING**

is still causing problems, especially on Echo Barn Hill, making it difficult/impossible for emergency vehicles and 'buses to get through at times.

So, when parking, please leave enough room for these vehicles to get through as you never know when you might need them !!

Want to help keep your area clean & tidy?  
Then come to the next
