**meeting at 10.30am**

**by Ghyllside School Entrance on Greengate Lane**

***PLEASE COME ALONG AND HELP TIDY UP YOUR AREA***

## TRAFFIC & PARKING PROBLEMS

Working with our County Councillor, Geoff Cook, we have asked CCC Highways to install traffic lights at the junction of Glebe Road & Milnthorpe Road.

They are doing feasibility studies before reporting back on a solution to end the years of queuing traffic and resultant danger & pollution for nearby residents, which will only get worse with the new housing developments.

As part of this scheme, Highways are also looking at ways of stopping the obstructive parking on and around the setts at the junction of Kirkbarrow & Glebe Road.
